In my school and my friends out of the school in my life and my friends and my neighbours in lebanon	1
Specifically everything but I spoke about how fun was that and how friendly was everyone.	1
I was talking about my holidays and mentioned great time I've had experienced on this erasmus+ project.	1
Conversation with teachers and other friends.	1
I talked in class and with teachers about the camp. Also with my friends outsidw of school. I encouradged them to also join a project like this because I think it adds a perspective for a person which leads to personal development. I really loved experiencing things and activities I would never be able to in my life.	1
In school to my classmates.	1

No thing it was soo nice!!	1
Really nothing , you did everything perfect.	1
food	1
Nothing, really!	1
I think everything was really great. So nothing really	1
I think it would be better if everyone spoke english so it would be easier to communicate with people from other countires.	1
Overall I think it was great, concerning sleeping in tento that was also fine but I expected that we dont cook the last meals ourselfs	1
I think it was an amazing experience that i will happily think of even when i'm old. I hope that i will meet other participants again and reflect all the time that we spent together.	1

Please name one thing you didn't like.
